# BETH SERGEANT

Full Stack Software Engineer

📞 702-481-2735   @ ersergeant@gmail.com   📍 New York, NY

SUMMARY ABOUT ME

An adventurous and versatile full-stack web developer passionate about designing dynamic user experiences with beautifully crafted code. Brings seven years of professional experience successfully providing high-end clientele with excellent service and establishing solid rapport through savvy negotiation skills and strong written and verbal communication ability. Self-motivated, team player who loves finding creative solutions in collaborative and fast paced environments. Curious and always learning new technologies for personal interest and professional growth.

PROFESSIONAL EXPERIENCE

Frontend Developer

Nina Footwear & Kidpik   📅 04/2019   📍 New York, NY

Fashion & Retail

- Writing clean, well-structured, readable and scalable code in HTML5, SCSS, JavaScript and Shopify in existing web applications to improve productivity and optimize user experience by 30%.
